

2017 Manufacturer's Certification Statement

Great Lakes® Window by Ply Gem, 5020 Weston Parkway, Suite 300, Cary, NC 27513 certifies that certain exterior windows and doors that are ENERGY STAR® qualified for the climate zone in which they are installed may be eligible for the tax credits as set forth in the Bipartisan Budget Act of 2018.

To qualify for the residential tax credit, exterior windows and doors must be ENERGY STAR qualified and must be installed in your principal residence no later than December 31, 2017.

For more information on Great Lakes glass technology and energy efficiency, visit <http://greatlakeswindow.com/what-makes-a-window-energy-efficient/>. To learn more about ENERGY STAR requirements and climate zones, visit <http://greatlakeswindow.com/window-styles/energy-efficient-windows/>.

It is important for the homeowner to retain this certification statement as well as the purchase receipt and NFRC label for each eligible window and door, as it may be requested by the Internal Revenue Service (IRS). Homeowners should consult their tax advisor to determine whether they qualify for any potential tax credits.

This document is only intended to certify that Great Lake Window by Ply Gem offers ENERGY STAR qualified options, and not as an assurance that a homeowner will qualify for any tax credit. Great Lakes assumes no liability regarding the homeowner's ability to obtain tax credits.

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct and complete.

A handwritten signature in blue ink, appearing to read "Mark Montgomery".
